There was discussion regarding the surface of the parking lot. Most items to be further discussed at future board meetings.

There was also some discussion with board regarding having on-site monthly board meetings with a set date/time each month where financials, etc can be discussed. These board meetings are open to all the owners. The Board is currently trying to set the date/time for such meetings. It will be posted for all owners if they want to attend. This is a great way for owners to participate as opinions, suggestions, comments are always welcome. It is hoped that once the weather gets better that meetings will be held in the pool area.
